

# SCHOLARSHIPS FOR ENTRY IN 2025

Camberwell Girls Grammar School (CGGS) is delighted to offer a range of scholarships to aspiring, talented young women.

A CGGS education is one that inspires young people to be motivated learners and respond to challenges with curiosity and courage. So much in the world is changing and we want young people to thrive, so being intentional about our design of education matters.

CGGS students experience, understand, value and develop the skills needed for their future. When our students graduate, they leave as global citizens who are lifelong passionate learners, compassionate leaders and catalysts for building a more just and sustainable world.
