Registration **<https://events.humanitix.com/scholarship-interactive-session-14-february-2024>**
Please note: To attend this event, you must book through the link above

This event is for students only (scholarship candidates). Parents are not required to attend the Scholarship Interactive Session so only a ticket for the student is required when booking.

Students should wear casual clothes to the Interactive Session (not school uniform).

Camberwell Girls Grammar School (CGGS) is delighted to offer a range of scholarships to aspiring, talented young women.

A CGGS education is one that inspires young people to be motivated learners and respond to challenges with curiosity and courage. So much in the world is changing and we want young people to thrive, so being intentional about our design of education matters.

CGGS students experience, understand, value and develop the skills needed for their future.

When our students graduate, they leave as global citizens who are lifelong passionate learners, compassionate leaders and catalysts for building a more just and sustainable world.

For us to get to know candidates and their broad range of skills, all candidates are required to attend the Scholarship Interactive Session as part of our scholarship process, in addition to the scholarship exam, to be considered for a scholarship at CGGS.

During the session, senior members of the Leadership Team will have the opportunity to meet scholarship candidates. Students will be undertaking a number of collaborative problem-solving and communication activities supervised by our staff.

Camberwell Girls Grammar School (CGGS) complies with Commonwealth Privacy Act and Australian Privacy Principles. Information collected is only used for the purpose for which it is collected. CGGS is committed to child safety.
