

## **STUDENT**

### **CODE OF CONDUCT (JUNIOR SCHOOL - ORMISTON)**

#### **Commitment to Child Safety**

Camberwell Girls Grammar School (CGGS) is a child safe organisation which welcomes all children, young people, their families and their participation. We are committed to providing culturally inclusive environments where all our students are safe and feel safe, and have confidence their voice is heard. We promote positive interactions between students and adults, and between students and their peers based on mutual trust and respect.

Child safety is a shared responsibility. Everyone engaged or employed by CGGS has a role to play in promoting child safety. All are aware of their responsibility to promptly raise issues or concerns about a child's safety or wellbeing. We have zero tolerance for child abuse and we take proactive steps to identify children who may be at risk or experiencing vulnerability to mitigate harm or distress.

Particular attention is given to the safety needs of Aboriginal or Torres Strait Islander students, those from culturally and linguistically diverse backgrounds, students with disabilities, international students, those unable to live at home and children and young people who identify as LGBTQIA+.

We regularly seek input from students, parents, carers, staff and volunteers in our child safe practices and communicate our policies and ongoing strategies following each systematic review.

#### **Purpose**

This Student Code of Conduct (Junior School – Ormiston) sets out the standards of behaviour which Camberwell Girls Grammar School (CGGS) expects from all students when interacting with others at the school.

By following this Code, CGGS (the "School") aims for everyone to feel safe and happy in their learning environment, for all students to love learning and grow into caring people. These rules apply when students are using technology online in the classroom, in person in the classroom and the playground, at music and sports lessons and events, incursions, excursions, and school camps.

#### **Scope**

The Student Code of Conduct (Junior School – Ormiston) applies to all students enrolled at the ELC and Junior School. This Code of Conduct outlines the School's guidelines for all students regarding the conduct expected of them whilst on School grounds, engaging in School-related activities, representing the School and otherwise interacting with the School. It is encouraged that students read this Code of Conduct with their parents, guardian or carer (together referred to as "Parent").

This Code of Conduct includes Child Safety expectations which apply to all physical and online/virtual environments (including email, intranet, software applications, collaboration tools and online services).

This Code of Conduct applies during or outside of school hours and to locations onsite and off-campus including camps, house carnival sites, excursions, as well as any programs offered by third party providers.
