This document sets out the terms and conditions under which students are awarded scholarships at Camberwell Girls Grammar School. By accepting a scholarship, recipients and their parents or guardians agree to be bound by these Scholarship Terms and Conditions and the Camberwell Girls Grammar School Enrolment Agreement.

Camberwell Girls Grammar School reserves the right to vary or amend these Scholarship Terms and Conditions from time to time. Notice of any changes will be provided to parents or guardians.

1. Awarding of Scholarships

Scholarship offers are made at the Principal's discretion following the School's assessment process. Selection is based on the requirements of the relevant scholarship category, which may include:

- ◆ Results of **academic aptitude** evidenced through academic reports and **scholarship testing**.
- ◆ **Supporting documentation** provided as part of the application by the due date.
- ◆ Participation in the relevant Scholarship Interactive Session or Design Task.
- ◆ An **audition** for selected Music and Academic Excellence Scholarship applicants.
- ◆ An **interview**, where requested as part of the School's assessment process.

The value, duration, commencement year and any scholarship-specific conditions will be set out in the individual scholarship offer. The scholarship must be accepted by the date specified in the offer, with all required acceptance documentation and payments completed. If these requirements are not met by the stated deadline, the School may withdraw the offer.

2. Eligibility

To be eligible for a scholarship at Camberwell Girls, candidates must meet the following criteria:

- ◆ Be an Australian or New Zealand Citizen, or a Permanent Resident of Australia.
- ◆ Be entering one of the eligible year levels and satisfy all year level-appropriate requirements as outlined in the specific scholarship criteria.

3. Enrolment Application Requirements

- ◆ The scholarship program operates alongside the School's application for enrolment pathway. Depending on whether the candidate is a current or prospective student, and their stage in the enrolment process, they may also be required to complete the School's usual admissions requirements. These may include an Application for Enrolment, Admissions Questionnaire, supporting documentation and any associated fees, including the non-refundable Application for Enrolment fee.

4. Student Responsibilities and Performance

Scholarship recipients are expected to engage fully in their learning, co-curricular opportunities, Service Learning and wider School life. Recipients are expected to:

- ◆ Maintain a consistent standard of academic achievement, consistent with the expectations of the scholarship category.
- ◆ Contribute actively and positively to School life, including through co-curricular opportunities, Service Learning and the wider School community, while upholding the Camberwell Girls values of Integrity, Commitment, Respect, Hope and Courage.
- ◆ Meet all conditions and scholarship-specific obligations set out in the individual scholarship offer, which may include participation in nominated academic, music, service, leadership, performance or co-curricular activities.
- ◆ Comply with the Camberwell Girls Grammar School Enrolment Agreement and applicable School policies, and maintain satisfactory attendance and conduct.
- ◆ Participate in the annual review process and provide any information reasonably requested by the School. The School may also review a scholarship at any time where these Scholarship Terms and Conditions, the individual scholarship offer, the Enrolment Agreement or applicable School policies may not have been met, or where application information is found to be inaccurate, incomplete or misleading.

5. Means-Tested Scholarships

- ◆ For Means-Tested Scholarships, families must complete the School's Confidential Statement of Financial Circumstances form and provide all required supporting documentation. The School reserves the right to request updated financial information annually for the duration of the scholarship.
- ◆ Recipients and their parents or guardians must promptly notify the School of any change in circumstances that may affect scholarship eligibility, value or compliance, including changes to financial circumstances, citizenship or residency status, or enrolment status.
- ◆ If a family's financial circumstances change significantly, Camberwell Girls reserves the right to review the scholarship and, at its sole discretion, amend its terms or value.

6. Scholarship Tenure and Withdrawal

- ◆ Scholarships are granted with the expectation that recipients will complete Year 12 at Camberwell Girls. The duration and commencement year of each scholarship will be specified in the individual scholarship offer.
- ◆ If a recipient withdraws from the School before completing Year 12, the School may, at its discretion, require repayment of some or all of the scholarship value awarded up to the date of withdrawal. In making this decision, the School may take compassionate or exceptional circumstances into account.
- ◆ Termination of enrolment by the School will also terminate the scholarship. Unless the scholarship is terminated, the recipient's parents or guardians must pay all billed tuition fees and any other fees or charges relating to the recipient, less the scholarship remission, in accordance with the School's payment requirements.
- ◆ Scholarships may not be transferred to a different school year or deferred for future entry, and recipients are expected to use the scholarship for the year level offered.

7. Scholarship Exclusivity

- ◆ No student may hold more than one scholarship at Camberwell Girls simultaneously.
- ◆ A sibling discount does not apply to any scholarship holder.

8. Financial and Other School Costs

- ◆ A scholarship deposit of AUD \$3,000 is payable at the time of acceptance and is credited towards the recipient's fourth instalment of tuition fees in the year the scholarship commences. The scholarship deposit is non-refundable if the recipient does not take up the scholarship in the school year in which it commences and is non-transferable to a later year of entry.
- ◆ Scholarships generally do not cover additional costs such as the Infrastructure Levy, consolidated charges, uniforms, books, additional music tuition, or optional camps and tours.

9. Confidentiality

- ◆ Scholarship assessment materials, testing results, interview outcomes, comparative applicant information, panel deliberations and internal decision-making are confidential.
- ◆ Camberwell Girls does not disclose detailed scholarship testing results, interview assessments, comparative information, panel deliberations or internal assessment criteria to applicants or families.

10. Scholarship Panel and Decision Finality

- ◆ Scholarship offers are made at the Principal's discretion following the School's assessment process. The number and value of scholarships offered may vary each year.
- ◆ All scholarship decisions are final, and no further correspondence will be entered into regarding outcomes.

11. Scholarship Application Fee

- ◆ All scholarship applications are subject to a non-refundable scholarship application fee of AUD \$120, payable at the time of application via Edutest. This fee is separate from the School's non-refundable Application for Enrolment fee and any other costs associated with the enrolment pathway.

12. Contractual Agreement

- ◆ These Scholarship Terms and Conditions apply together with the Camberwell Girls Grammar School Enrolment Agreement and the conditions set out in the individual scholarship offer. Recipients and their parents or guardians must comply with all applicable requirements in these documents.
