Commitment to Child Safety Statement

Camberwell Girls is a child safe organisation that welcomes all children, young people and their families. We are committed to providing inclusive environments where every student feels safe, respected and heard. We promote positive interactions between students and adults, and between students and their peers, based on mutual trust and respect.

Child safety is a shared responsibility. All staff, volunteers and visitors are expected to contribute to the wellbeing and protection of our students. We have zero tolerance for child abuse and actively work to identify children at risk or experiencing vulnerability to mitigate harm or distress. Particular attention is given to the safety needs of Aboriginal or Torres Strait Islander students, those from culturally and linguistically diverse backgrounds, students with disabilities, international students, those unable to live at home, and children and young people who identify as LGBTQIA+.

Acknowledgement of Country

Camberwell Girls acknowledges the Traditional Owners of the land on which the School is situated, the Wurundjeri people of the Kulin nation. We pay our respects to Elders past and present.

Scholarship review process

Following the examination, the Scholarship Panel considers a range of information relevant to each scholarship. The full process may take up to eight weeks after the testing date. Families will be notified by email when outcomes have been finalised.

- Shortlisting: not all applicants proceed to interview or audition.
- Unsuccessful applicants: families will be notified by email once outcomes have been finalised.
- Feedback and results: due to the competitive and confidential nature of the scholarship process, Camberwell Girls does not provide individual feedback, interview feedback or details of assessment criteria.
- Edutest results will be emailed to families once outcomes have been finalised.

Attending your interview

Shortlisted applicants may be invited to an interview with a member of the School Leadership Team. This is an opportunity for the School to get to know each student in a warm and supportive setting, including her interests, aspirations, learning approach and connection to the values of Camberwell Girls. Questions may relate to her application, scholarship type, co-curricular involvement, service or leadership experiences, and how she approaches learning, challenge and opportunity.

- **Format:** In most cases, interviews include approximately 20 minutes with the student, followed by 5 to 10 minutes with parent(s)/guardian(s).
- **Duration:** Approximately 25 to 30 minutes.
- **Parent(s)/Guardian(s) questions:** Opportunities to ask questions will be available at the end of the interview.

How to prepare:

Being shortlisted for an interview is an important milestone, and students should feel proud to have reached this stage. The interview is not about having rehearsed answers; students are encouraged to be themselves and speak honestly about their interests, experiences and hopes. They may wish to reflect on examples that show their character, contribution, approach to learning, and connection to the Camberwell Girls community.

Documents to prepare if shortlisted

Applicants will be advised by Admissions if these documents or details are required as part of the shortlisting process:

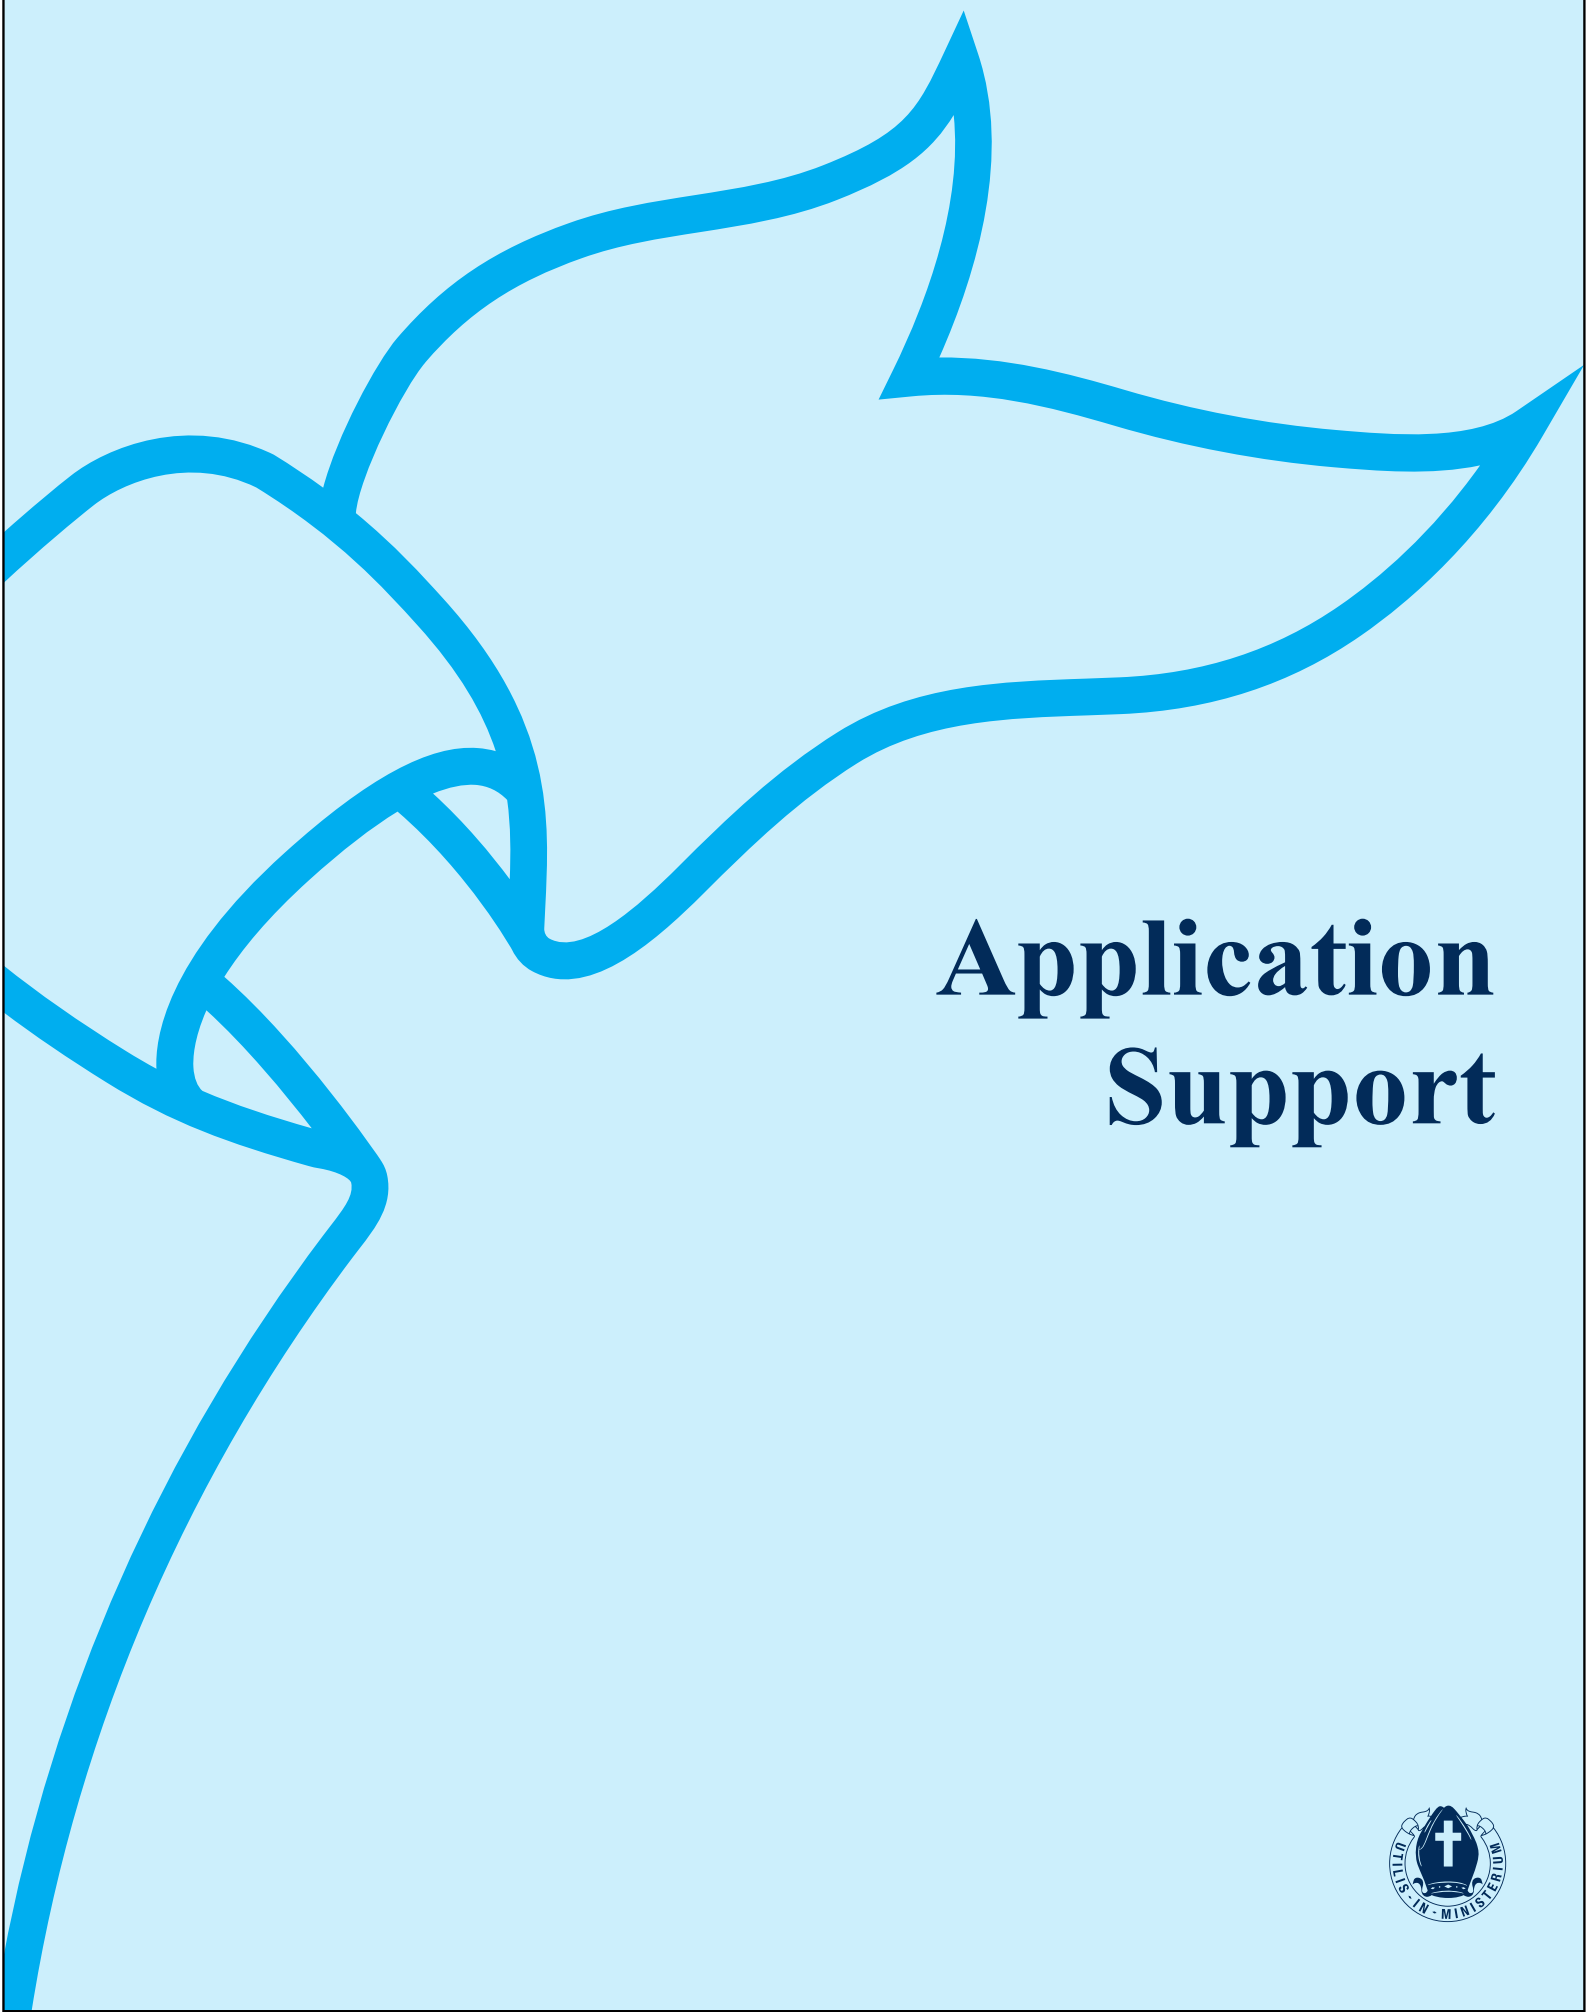

- Two most recent school reports
- NAPLAN report, if applicable
